Course Policies

Late Assignments

Graduate students are expected to submit all assignments by the due dates stated in the syllabus. A late assignment is one that is submitted after the due date and time or after any extension has expired.

If circumstances prevent a student from meeting the due date, students should contact the instructor and request an extension at least 48 hours prior to the date the assignment is due. Emergency situations will be considered on a case-by-case basis. Being busy, pressured with outside work, or having competing academic commitments are not usually considered valid reasons to receive extensions.

A student who receives an extension in advance of the due date and abides by the agreement with the instructor is not subject to late penalties. The guideline for late penalties is a deduction of one point per day from the overall grade for the first 10 days and 5 points per day after 10 days. Instructors may vary these guidelines in response to the specific conditions and requirements of each course. In the absence of an alternative announced by the Instructor the default policy is the general guideline cited above. Assignments may be re-written only with the express consent of the Instructor and under exceptional circumstances.

Participation

All MC courses encourage active engagement in discussion, dialogue, role plays and similar exercises in order to receive the maximum educational benefits. Participation includes constructive criticism and the negotiation of different perspectives and ideas. Recognizing that

there are many forms of participation a range of forms and styles are welcomed. Active engagement means being attentive. Similarly, it is recognized that there are situations in which learning to hold one's counselor to not participate verbally are valuable learning experiences.

Consistent attendance and a willingness to be actively involved in classroom discussions, small group activities, and at times classroom presentations or role plays assists in creating a vibrant learning community.

Many MC courses include a participation component and, in some cases, assignments specify that participation will be graded. In such cases the criteria for participation will be made known along with the requirements for grade achievement.

Professional Writing

Assignments require error-free writing that uses standard English conventions and logical flow of organization to address topics clearly, completely, and concisely. CityU requires the use of APA style.

University Policies

Students are responsible for understanding and adhering to all of CityU's academic policies. The most current versions of these policies can be found in the [University Catalog](#) that is linked from the CityU Web site.

Non-Discrimination & Prohibition of Sexual Harassment

City University of Seattle, its staff and its faculty are deeply committed to supporting our students. We value equity, diversity, and inclusion as a way of life as well as for the educational opportunities it provides. CityU will not tolerate any form of discrimination based on race, color, ethnicity, sexual orientation, gender identification, socioeconomic status, or religious values. Any student who has experienced discrimination based on the above criteria is encouraged to report this to the University. Students may report an experience of discrimination to their course instructor. If they do not feel safe reporting to their instructor, students may report an experience of discrimination directly to the university Provost or the Vice President of Student Affairs.

CityU adheres to all federal, state, and local civil rights laws prohibiting discrimination in employment and education. The University is committed to ensuring that the education environment is bounded by standards of mutual respect and safety and is free from discriminatory practices.

In the U.S., the University is required by Title IX of the Education Amendments of 1972 to ensure that all of its education programs and activities do not discriminate on the basis of sex/gender. Sex include sex, sex stereotypes, gender identity, gender expression, sexual orientation, and pregnancy or parenting status. Sexual harassment, sexual assault, dating and domestic violence, and stalking are forms of sex discrimination, which are prohibited under Title IX and by CityU policy. CityU also prohibits retaliation against any person opposing discrimination or participating in any discrimination investigation or complaint process internal or external to the institution. Questions regarding Title IX, including its application and/or concerns about noncompliance, should be directed to the Title IX Coordinator. For a complete copy of the policy or for more information, visit <https://my.cityu.edu/titleix> or contact the Title IX Coordinator.

In Canada, in compliance with the British Columbia Human Rights Code, the Alberta Human Rights Act, WorksafeBC, and the Workers' Compensation Board of Alberta, the University believes that its environment should at all times be supportive and respectful of the dignity and self-esteem of individuals. Discrimination, harassment and bullying conduct, whether through person to person behaviour or via electronic communications such as email or social media is not acceptable and will not be tolerated. As an educational institution, it is our responsibility to cultivate an environment of excellence, equity, mutual respect and to recognize the value and potential of every individual. The University will take all necessary steps to meet or exceed the requirements of the law to prevent discrimination, harassment and bullying. The Respectful Workplace Policy for the prevention of discrimination, harassment and bullying policy and procedure can be found at <https://www.cityu.edu/discover-cityu/about-cityu/> under the Policies section or at <https://www.cityuniversity.ca/about/>.

Religious Accommodations

CityU has a policy for accommodation of student absences or significant hardship due to reasons of faith or conscience, or for organized religious activities. The University's policy, including more information about how to request an accommodation, is available in the University Catalog and on the my.cityu.edu student portal. Accommodations must be requested by the 20% mark of this course (e.g. day 14 of a ten-week course, day 7 of a 5-week course) using the Religious Accommodations Request Form found on the student dashboard in the my.cityu.edu student portal.

Academic Integrity

Academic integrity in students requires the pursuit of scholarly activity that is free from fraud, deception and unauthorized collaboration with other individuals. Students are responsible for understanding CityU's policy on academic integrity and adhering to its standards in meeting all course requirements. A complete copy of this policy can be found in the [University Catalog](#) under *Student Rights and Responsibilities* on the page titled *Academic Integrity Policy*.

Attendance

Students taking courses in any format at the University are expected to be diligent in their studies and attend class regularly. Regular class attendance/contact is important in achieving learning outcomes in the course and correlates in many cases with participation. As such it may be a valid consideration in determining the final grade. At the beginning of each course, the instructor will inform students of the relevance of class attendance/contact to the final grade.

Attendance in this class is vital to learning the required course material and demonstrates professionalism and respect for fellow students and the instructor. All students are required to attend every class for the full duration of the class. Arriving late or leaving early will constitute an unexcused absence. It is expected that students who will not be attending or who will be arriving late notify the instructor before class starts.

Excused absences are limited to ILLNESS OR EMERGENCY. Absences related to illness may require verification from a medical doctor. All other absences will be considered unexcused.

In the event of inclement weather, students will be notified by a CityU representative and / or faculty of site closures. As student and faculty safety is a priority, students who feel that driving conditions are unsafe will be permitted an excused absence without penalty. Students are responsible for notifying the instructor before class starts that they will not be attending class due to inclement weather.

Students with more than 2 unexcused absences will be directed to meet with the local Program Director to discuss continued participation in the course. 3% of students' overall course grade will be deducted for each unexcused absence.

A complete copy of CityU's policy can be found in the [University Catalog](#) under *Student Rights and Responsibilities* on the page titled *Attendance*.

Final Assignment Due Date

Final assignments for each class at CityU must be due on or before the final date of the course as indicated in the university's course information system. Due dates that extend beyond the final date of the course may negatively impact tuition funding for students.

Students who feel unable to independently resolve the issue should seek the support of cohort representatives, faculty, or staff.
3. Demonstrate exemplary personal conduct consistent with the values of the profession including integrity, accountability, reflexivity, generosity, compassion, inclusiveness, honesty, courage, maturity, thoughtfulness, good judgment, patience, and fairness. 4. Access City University's campuses or resources ONLY with approval from an authorized representative of the university.
5. Recognize that students with formal academic accommodations are expected to meet the same academic standards as their peers with the help of additional supports and reasonable, penalty free extensions.
6. Recognize that consistent face-to-face and online class attendance is a basic, non-negotiable requirement of the program and that the program's attendance policies will be enforced without exception. Students who are absent for any reason are required to make up all instructional hours and assignments at the discretion of the instructor.
7. Ensure that all requests for assignment extensions (with and without accommodations) are submitted to faculty a minimum of 48 hours in advance of the assignment due date. Extensions may not be granted after assignment due dates have passed.
